

Acorn Montessori School Summer Camp

Summer 2025

1222 Route 31

Lebanon, NJ 08833

Toddler Camp

For currently enrolled Acorn children independently walking - 36 months

Acorn's toddler camp is for children independently walking to 36 months of age who attended Acorn during the 2024-2025 school year or who are enrolled in our toddler program for September 2025.

Our youngest campers enjoy lots of fun and water activities in their own outdoor environment.

Toddlers who have been enrolled in Acorn continue to follow their familiar daily schedule, started during the school year, which allows them to be secure and independent in their own movement and choices. Campers bring their own nut-free lunch to eat outside at picnic tables during nice weather.

Should it rain or get too hot, they will eat inside in the air conditioned classroom.

Registration Options

5 Half Days, 8:45 - 11:45 \$265

5 Half Days with Lunch, 8:45 - 12:45 \$355

5 Full Days, 8:45 - 2:45 \$475

3 Half Days, 8:45 - 11:45 \$200

3 Half Days with Lunch, 8:45 - 12:45 \$260

3 Full Days, 8:45 - 2:45 \$345

*3 Days must be consecutive days

Primary Camp

Ages 3-6

Join us on Acorn's five acre campus for a summer full of adventure. Our own primary camp, for 3-6 year olds, will feature a different theme each week. Your camper can join us for a summer filled with outdoor adventures and games where they can develop new skills and interests, make new friends, and continue to become more self-confident while building their talents, curiosity, and creativity. Oak Grove, one of our featured camp spaces, is a comfortable indoor environment for crafts, stories, drama, singing, dancing, and more. Campers bring their own nut-free lunch to eat outside at picnic tables, weather permitting. Should it rain or get too hot, the children will eat inside in the air conditioned environment.

Registration Options

5 Half Days 8:45 - 12:45 \$325

5 Full Days 8:45 - 2:45 \$445

3 Full Days* 8:45 - 2:45 \$315

*must be consecutive days

Primary Summer Camp Themes 2025

Week 1 - June 16 - 20 Acorn's Scientists

Our young scientists will do hands-on experiments and mix up some fun stuff.

Week 2 - June 23 - June 27 Under the Sea

What's happening beneath the ocean? We'll learn about some neat creatures.

Week 3 - June 30 - July 4 Yeah USA! (No camp on 7/4)

Let's celebrate our country's birthday with some patriotic songs and activities. We end our week with a parade!

Week 4 - July 7 - July 11 Box City

An entire room will be filled with lots of huge appliance boxes set up as a city for us to play in.

Week 5 - July 14 - July 18 - Acorn's Artists

Using the techniques of famous artists, our campers will fill a portfolio with their own masterpieces.

Week 6 - July 21 - July 25 - Acorn's Secret Agents

The Acorn Agents will look for clues and hone our skills as we figure out some mysteries.

Week 7 - July 28 - August 1 - Camping Week

We will enjoy our beautiful outdoor campus and have lots of camping fun!

Week 8 - August 4 - August 8 - Blast Off!

The campers will learn more about the other planets in our universe and what else is out there.

Week 9 - August 11 - August 15 - Obstacle Courses and Scavenger Hunts

Let's hop, jump and skip, crawl, slither and run through a different obstacle course or enjoy scavenger hunt each day.

Week 10 - August 18 - August 22 - Heroes Week

We invite real heroes like fire fighters, police officers, and EMT's to visit us each day and thank them for their service to our community.

Primary Dance Class

Week 10 - 8/18/25 - 8/22/25

8:45am - 12:45pm (half day option) \$375

8:45am - 2:45pm (full day option, will go to Primary Camp at 12:45pm) \$495

Instructor: Emily Castanza

Location: Greenhouse

During Dance Camp, Miss Emily will introduce campers to dance basics in many different dance styles including jazz, hip hop, as well as technical basics from ballet and modern dance. There will be focus on musicality and understanding rhythm and how it plays an important role in dance. Along with learning these different styles physically, a brief history of each style will be taught. The goal of this camp is to hone a greater appreciation and understanding of music, dance, and movement.

Miss Emily is an Intern/Assistant Teacher in Chinquapin Oak. She has been dancing for 21 years and teaching dance for six years to students from the ages of 2 to 18. Miss Emily has had a love of dance since she was 2 years old and wants to share it with the students at Acorn!

*If choosing the full day option, you will be joining the Primary Summer Camp for the remainder of the day beginning at 12:45pm.

Elementary Camps

Yoga & Mindfulness Camp

Week 1 - 6/16/25 - 6/20/25

8:45am-2:45pm \$470

Elementary Grades: Level 1 - Level 7

Instructor: Miss Cora

Location: Round Valley

Find some zen & relaxation this summer at Yoga & Mindfulness camp. Join Ms. Cora as we practice our favorite yoga poses, mindfulness games & activities, and crafts that will help create more peace & calm within your home. This camp features some of the most popular activities, including calming jars, breathing buddies and yoga freeze dance. We'll explore topics like kindness, compassion, and community. We'll also practice some more advanced poses like headstand, handstand & partner yoga!

Science Camp

Week 2 - 6/23/25 - 6/27/25

8:45am - 2:45pm \$485.00

Elementary Grades: Level 1- Level 7

Instructor: Ms. Debbie Peru

Location: Building 1

This camp is designed to introduce campers to the world of science and investigation. Each morning, the instructor (s) will guide the children through an introductory lesson and help students conduct fun experiments to reinforce key concepts in different areas of science. Students will learn to think and perform actual experiments like scientists. Multiple experiments are planned for each day, designed to be fun and engaging and stimulate thinking and problem-solving. All experiments will be conducted with food grade materials. Science Camp includes outdoor playtime, water play (sprinkler), and science-themed art and craft projects in the afternoon.

Science Topics

Chemistry – Building molecules

Weights and Measures – Analytical balances, measuring cups, and spoons.

Chromatography – Separation science and color

Soap chemistry – Properties of soap molecules

Reaction chemistry – Study of various reactions (acid/base, vinegar/milk, pH/color change)

Summer Camp Programs in Music & Art - Hudson Music Studios

Week 4 July 7 - 11

Elementary Grades: Level 1 - Level 7

- Rock Camp 9:00 - 2:50 \$545 (Full Day Program)
- Diving Into Art 9:00 - 2:50 \$545 (Full Day Program)
- Explore Ceramics 3:00 - 5:00 \$395 (Afternoon Elective)

Instructor: Steve Hudson, Hudson Music Studios (908)230-6079

Location: Elementary Building

In **Rock Camp**, beginner and advanced students learn from actively performing musicians in small group lessons, ensembles, and electives in this inspiring music camp. Students will study a large range of musical styles, learn to read and write music, learn improvisation, and explore songwriting. You can choose to study up to two instruments, including voice, or you can focus on your main instrument. Students will perform a concert at the end of the week for parents, friends, and the public. Check out our full [curriculum](#) for Rock Camp.

Diving Into Art is a fun and engaging summer art camp where students have the unique opportunity to collaborate with professional artists, unlocking their artistic potential while mastering the fundamentals of drawing and painting, including both watercolor and acrylic techniques. Throughout the week, students are guided by experienced instructors who will help students expand their technique while allowing students the space and freedom to express their personal voice. At the end of the week, students will have an art exhibit to proudly display their artwork, showcasing the progress made during the week. Check out our full [curriculum](#) for Diving into Art.

Explore Ceramics is an afternoon elective (3-5 pm) offered after Rock Camp and Diving into Art, dedicated to unleashing your creative potential through the art of ceramics. Participants in Explore Ceramics will delve into the fascinating world of pottery and ceramic arts, honing their skills in hand-building, wheel-throwing, glazing, and kiln-firing techniques. Our experienced instructors guide students step-by-step in mastering the art of ceramics, ensuring that each individual can express his or her unique creativity through clay. Check out our full [curriculum](#) for Explore Ceramics.

Registration & Payments Should be Made Directly to Hudson Music Studios

Science Camp

Week 5 - 7/14/25 - 7/18/25

8:45am - 2:45pm \$485.00

Elementary Grades: Level 1- Level 7

Instructor: Ms. Debbie Peru

Location: Building 1

This camp is designed to introduce campers to the world of science and investigation. Each morning, the instructor (s) will guide the children through an introductory lesson and help students conduct fun experiments to reinforce key concepts in different areas of science. Students will learn to think and perform actual experiments like scientists. Multiple experiments are planned for each day, designed to be fun and engaging and stimulate thinking and problem-solving. All experiments will be conducted with food grade materials. Science Camp includes outdoor playtime, water play (sprinkler), and science-themed art and craft projects in the afternoon.

Geology – Science of rocks and minerals

Biology – Science of living organisms

Botany – Science of plants

Forensics – Science of investigations

Oceanography – Science of ocean animals, seawater, and plants

Fantastic Arthropods and Where to Find Them

Week 6 - 7/21/25 - 7/25/25

8:45am - 2:45pm \$470.00

Elementary Grades: Level 1 - Level 7

Instructor: Miss Kait

Location: Building 1

"Fantastic Arthropods and Where to find them" is a fun summer camp dedicated to the creatures that might seem creepy and crawly - but in reality they're just unique animals! Learn about the insects, arachnids and myriapods that live around us, and how they help support the earth. We will go on a nature walk and look for clues to try to find these animals, and also learn how to build houses and environments for them on our very own Acorn campus!

We will also be creating art and doing crafts related to all things Arthropods!

Nature Camp

Week 7 - 7/28/25 - 8/1/25

8:45am-2:45pm \$470

Elementary Grades: Level 1 - Level 7

Instructor: Miss Cora

Location: Building 1

“When children come into contact with nature, they reveal their strength” – Maria Montessori

Nature is one of our greatest teachers! Our Nature Camp with Ms. Cora is going to be filled with opportunities to explore all aspects of the world around us, including plants, animals, biomes, and climates. Each day we'll do a different nature-based activity, game, and craft. We'll focus on our local environment and learn all about the bugs, birds, critters, flowers and plants that naturally grow in our area. Some of the activities will include scavenger hunts, nature art, and planting flowers. This camp is perfect for any child who loves to explore, create and connect to nature.

Robotics Camp:

Week 8 - 8/4/25 - 8/8/25

8:45am - 11:45pm (half day option) \$365

8:45am - 2:45pm (full day option, will join Primary Camp at 11:45am) \$535

Instructor: Brainy n Bright

Location: Building 1

Robotics: (1st-3rd Grade)

Campers will dive into engaging, hands-on activities where they can build simple robots, explore interactive learning experiences, and develop essential skills. Through these activities, they'll not only learn the basics of technology and problem-solving but also cultivate creativity and innovation. Along the way, they'll work in teams, building collaboration skills and fostering a passion for discovery. These experiences will ignite curiosity and a love for learning that can last a lifetime.

Robotics: (4th-5th Grade)

Students will enhance their skills by designing and programming robots tailored to their age group. They'll learn how sensors work and practice coding, gaining hands-on experience with real-world challenges. As they build and test their robots, students will develop critical thinking, problem-solving, and creativity. Working in teams encourages collaboration and communication, helping them learn how to tackle obstacles together. Through these experiences, they'll gain confidence in their abilities and become more confident in STEM subjects. This hands-on learning fosters not only technical knowledge but also essential life skills, such as teamwork and adaptability, preparing them for future challenges.

Rocket Launch: (1st-5th Grade)

Experience the excitement of the Rocket Launch Extravaganza, a thrilling summer camp designed for young space enthusiasts! Dive into the world of rockets and space exploration through hands-on activities, interactive challenges, and exciting projects. Whether you're building rockets, learning about space technology, or participating in fun space-themed adventures, this camp will ignite your curiosity and passion for the cosmos while providing a fun and educational experience for future astronauts and scientists. The program will be designed and taught based on the different age groups in the class.

Montessori Math and Reading

Primary:

Week 9: 8/11 -8/15 8:45-2:45

Week 10: 8/18 - 8/22 8:45-2:45

For children entering K-1st

Location: TBD

Instructor: Kaitlin Roamer

Elementary:

Week 9: 8/11- 8/15 8:45-2:45

Week 10: 8/18 -8/22 8:45-2:45

For children entering 2nd grade and up

Location: TBD

Instructor: Jon Otto

Get back into the school-time groove. Students will work with the Montessori math and language materials. Teachers will guide children through the introduction of new lessons as well as reinforce skills from the previous school year. In the afternoon, the children will enjoy a mixture of academic enrichment, old fashioned camp and sports activities as well as art. Please bring a snack, water bottle and a nut free lunch daily.

5 full days (per week) \$510

Both weeks \$995

What to Bring to Camp

Toddler Camp:

- Clothing– Please dress your child in comfortable, loose fitting clothing. Campers should also bring a hat, swimsuit and small towel each day.

-Please send in a complete extra set of clothing in a labeled zip lock bag, including a shirt, shorts, socks, spare shoes, underwear. **Please label everything with your child's name.**

- Footwear– For safety reasons, sandals and crocs are not acceptable. Inexpensive supportive shoes that can get wet are the best footwear choice.

- Sunscreen/Bug Repellent– Children should come to camp with sunscreen and bug repellent (if desired), already on.

- Lunch & Snack– Pack your child a snack, lunch, including a drink and labeled water bottle in a lunchbox. Be sure to include a small ice pack to keep the lunch cold. **We are a nut-free school!**

New to Acorn's Toddler House? On the first day of camp, please provide: one large box of diapers, one large box of wipes and one box of plastic gallon size bags

Primary Camp:

- Clothing– Please dress your child in comfortable, loose fitting clothing. Campers should also bring a hat, swimsuit and small towel each day.

Please send in a complete extra set of clothing in a labeled zip lock bag, including a shirt, shorts, socks, spare shoes and underwear.

- Footwear- For safety reasons, sandals and crocs are not acceptable. Inexpensive lightweight sneakers are the best footwear choice.

- Sunscreen/Bug Repellent– Children should come to camp with sunscreen and bug repellent (if desired), already on.

- Lunch & Snack– Pack your child a snack and lunch, including a drink and labeled water bottle in a lunchbox. Be sure to include a small ice pack to keep the lunch cold), already on. **We are a nut-free school!**

Registration and Billing

For all Campers

Deadline to register, May 2, 2025

Sessions are filled on a first come, first serve basis. A wait list will be maintained for each session as it fills.

To ensure proper staffing, all children must be registered prior to camp. We cannot guarantee availability without advance registration.

We can accept late enrollment, pending availability, up until the Monday prior to the start of the camp week.

All enrollment paperwork, including updated medical records, is due with registration.

All camp fees are payable in advance with registration.

Each change made after the initial registration has been processed, with the exception of adding additional weeks, shall incur a \$10 processing fee. There will be a charge of \$55 for each instance of insufficient funds or declined credit.

Agreement: This application with payment or credit card authorization will hold my child's spot. All fees are payable in advance with this application. No child may enter or continue to attend camp unless all fees are paid in full. My credit card will be charged only once it is confirmed that the selected camp week will run. Payments made by cash or check will be refunded if a selected camp week is cancelled. I understand that if, for any reason, this application cannot be accepted by Acorn, no contractual relationship shall exist between us. I understand that there will be no refunds or credits given except as stated in this agreement. In the event that my child is unable to attend due to a serious illness or injury that is confirmed in writing by a physician, the school will credit or refund fees for the number of consecutive days absent with no refund given for the first three consecutive days of absence. Each change made after initial registration, except adding weeks, will incur a \$10 processing fee. I have read the conditions of this agreement and accept them as stated. There will be a charge of \$55 for each instance of insufficient funds or declined credit. A 3% fee is applied to credit card payments. Acorn Montessori School reserves the right to cancel programs due to insufficient enrollment.
